halkhijyenik

bir dünya hijyen / a world of hygiene

About us;

Halk Hijyenik Ürünler ve Deterjan Sanayi (M/s Halk Hygienical Products and Detergent Industry Co.) manufactures in a hands-free hygienic environment with the highest technology fast production and packing lines, that are compatible with ISO 9001 quality standards; has an annually 1.192.680.000 pieces of baby diapers and, 449.280.000 pieces of sanitary napkins production capacity, in a modern production plant of 44000 sq. meter of which 28500 sq. meter is covered.

Having already been exported TAFFY, GIZMO, AMIGO branded baby diapers; NICELADY, GIZLADY branded sanitary napkins; DrPedical branded adult diapers and, TAFFY branded wet wipes to more than 50 countries, HALK HYGIENIC has attained a place in the European Market and, continues to grow with the investments on R&D and HR while securing its position in the sector.

Our Policy;

Our policy is to continue the understanding of "innovative growth and productive management at the determined quality". We shall go on working in this sector to reach the better position with our esteemed customers by employing our sources and experiences in the best way. Our company always acts with "the consciousness of not me but us" as a result of the awareness of that our most important source is human. Furthermore, we shall continue to follow up any demands and technological developments in the market, and sustain our quality at the highest level.

Our Vision;

To become an institutional, healthy and growing company that is conscious of its social and environmental responsibilities.

Our Mission;

To provide the healthy development and sustainability of our company thanks to new investments and profitable growth, and to contribute to the economy and prestige of our country.

A propos de nous

Halk Hijyenik Ürünler ve Deterjan Sanayi fait la production dans un environnement hygiénique intact par des lignes d'emballage entièrement automatiques conforme aux normes de qualité ISO 9001, avec une capacité de production annuelle de 1.192.680.000 couches bébés et de 449.280.000 serviettes hygiéniques dans des lignes de production et d'emballage à grande vitesse de dernières technologies, dans son installation de production moderne construite sur une superficie totale de 44.000 m2 dont la partie de 28.500 m2 est fermée.

Halk Hijyenik continue de croître en exportant actuellement vers plus de 50 pays ses produits de couches bébés sous les marques Taffy, Gizmo, Amigo, de serviettes hygiéniques sous les marques Nicelady, Gizlady, de couches adultes sous la marque Dr. Pedical et de lingettes sous la marque Taffy, en acquérant la parole sur le marché européen avec sa marque Taffy, ainsi qu'en renforçant sa position dans le secteur grâce à ses investissements dans R & D et ressource humaine.

Notre politique

Est de favoriser la compréhension de "Qualité déterminée, développement innovant et gestion efficace". En collaboration avec nos clients, nous continuerons à travailler pour obtenir le meilleur en utilisant nos ressources et notre expérience de la meilleure façon. Grâce à la prise de conscience que notre ressource la plus importante est "l'homme", notre société acte avec une "conscience de nous au lieu de moi". En outre, nous suivrons les demandes du marché et les développements technologiques et continuerons notre qualité au plus haut niveau.

Notre vision

Etre une entreprise institutionnelle, saine, prospère, consciente de sa responsabilité sociale et sensible à l'environnement.

Notre mission

Avec les nouveaux investissements et une croissance rentable, assurer le développement sain et la continuité de notre entreprise, et contribuer à l'économie et la réputation de notre pays,
